

TEXAS EAGLE AC & HEATING

CAPABILITIES STATEMENT

Texas Eagle AC & Heating, LLC is a trusted, owner-operated HVAC contractor providing comprehensive heating, ventilation, and air conditioning services to government, commercial, and community-focused clients throughout Texas. We are dedicated to delivering high-quality workmanship, transparent pricing, and reliable, long-term solutions tailored to the unique needs of each customer.

CORE COMPETENCIES

- **Professional Installations:** Expert installation of new and replacement HVAC systems.
- **Accurate Diagnostics & Repair:** Skilled troubleshooting and repair for all types of heating and air conditioning equipment.
- **Preventive Maintenance Programs:** Customized maintenance plans to extend equipment life and ensure peak performance.
- **Emergency Response:** Fast, same-day response for urgent heating and cooling issues.
- **HVAC Equipment & Supply:** Wholesaling of warm air heating and air-conditioning equipment and supplies.

DIFFERENTIATORS

- **Owner-Operated Service:** Clients work directly with the owner, ensuring the highest level of accountability and superior results.
- **Same-Day Emergency Response:** We prioritize urgent calls to ensure clients are not left waiting in extreme weather conditions.
- **Upfront, Flat-Rate Pricing:** We believe in honest work and honest prices, with no hidden fees or surprises.
- **Customized Solutions:** We avoid a "one-size-fits-all" approach, providing solutions tailored to each client's specific needs and budget.
- **Community Trust:** Our business is built on a strong reputation, with most of our work coming from referrals and repeat customers.

PAST PERFORMANCE

- **Pop Shelf (2023-2024):** Installed new ducting and ventilation systems, passing all inspections and resulting in a 50% decrease in customer comfort complaints and an increase in 5-star reviews.
- **Hibbett Sports (2024):** Installed multiple RTU package units and ventilation systems, leading to a 30% reduction in the client's energy bills and improved indoor comfort.
- **Dollar General (2023-2024):** Completed a full ventilation system installation 10 days ahead of schedule, passing fire marshal inspection and significantly improving air quality.
